

IMAGINE

Pastor Jermel & Michelle Mayo

Imagine a place in Newark

that is the center of delight for children in our community, a creative structure that teaches children about God and yet is so delightful to youngsters that they beg their parents to go there. Think about what happens when they tell their friends in the neighborhood about this place they love to go. Soon there will be such a place at Vailsburg Assembly of God. Just take a look at the exciting plans for expansion and remodeling – all of which are designed to increase our outreach to our community.

Because...all of us working together can do more than any of us could do on our own, you have an opportunity to invest in this project through the ***Because...Capital Stewardship Campaign***. Due to the magnitude of this challenge, each person who calls Vailsburg Assembly of God their church home will be asked to pray about a three-year sacrificial commitment over and above our regular tithes and offerings.

Imagine the lives that will be touched Because... you pray.

Imagine the eternal harvest that will be reaped Because...you give.

It will take faith and commitment for us to meet the challenge before us, but Because...God is with us, He will lead us through this exciting time in the life of the church. ***And Because... He first loved us, we will see young lives and entire families impacted for eternity.***

1 JOHN 4:19

Loving God Completely, Loving People Unconditionally

BECAUSE... WE BELIEVE!

WE BELIEVE GOD'S HAND HAS FAITHFULLY GUIDED US OVER OUR SHORT BUT REMARKABLE 17 YEAR HISTORY.

In 1994, under the leadership of founding Pastor Reverend Otto Wegner and his wife, Pat, the ministry of Growing Garden Preschool was formed. This Ministry was birthed in order that Vailsburg Assembly of God could extend an arm into our surrounding community and meet the need to have quality Christian education.

BECAUSE...with God's help, we are entering into one of the most significant periods in the history of Vailsburg Assembly of God. The leadership of Vailsburg Assembly of God believes strongly that God has ignited our hearts to move forward with His vision and plan for our church and ministry outreach. In recent years, we have noticed a dramatic shift within the needs of the community and specifically in the urgent need for baby care.

BECAUSE...the time to impact our surrounding community is now, we will be building a brand new baby care and preschool facility. This baby care facility will equip us as a church to better minister and meet the spiritual needs of the fast growing population of young families in and around our church and community. Our current preschool facility is full and due to state laws and the age of our building we do not meet the requirements to provide baby care.

This baby care and preschool facility will be part of a \$2.5 million building project that will add to our current ministry space. We will also convert our existing preschool to Wegner Fellowship Hall in honor of our founding pastor and his family. This space will be used for weddings and other special occasions as well as additional cross-training classes.
